**Notice of Violation**

Dear Mr. Glatz:

The Division has reviewed your construction permit applications dated April 30, 2010, for emission sources 07-0163-01, 65-0063-01, 73-0221-01, 78-0220-01, and 78-0221-01 (generators). Since you did not apply for construction permits prior to commencing construction of these generators on or about February 2010, July 2009, July 2009, April 2006, and July 2009, respectively, you are in violation of Rule 1200-03-09-.01, which requires construction permit applications to be submitted as much as four months prior to the estimated starting date of construction. Since you operated these sources on or about February 2010, July 2009, July 2009, April 2006, and July 2009, respectively, without valid operating permits, you are in violation of Rule 1200-03-09-.02(2), of the Tennessee Air Pollution Control Regulations.

The Division received an email from Mr. Mike Freese dated May 26, 2010. Based on the review of this information, the Technical Secretary has elected to take no further action on the violations cited above. In addition, the Technical Secretary has elected to take no further action on the Notice of Violation dated May 25, 2010, for the following sources: 76-0096-01, 76-0097-01, 76-0098-01, and 76-0099-01.

Construction permits are hereby issued for the operations described. Please note the conditions on these permits. If you have any questions regarding this correspondence, please contact Ms. Hymelia Craig at (615) 532-0575 or Olga Jacobson at (615) 532-0581.

Sincerely,

*John A. Trimmer*
